

# Declaration

## By signing this agreement I agree to the following:

**1.1** CooperVision Manufacturing Ltd, and/or thereto affiliated companies, (together "CooperVision") will provide for travel and accommodation costs for my participation in the National Student Summit of the Future Ocular Research Creativity Event ("FORCE").

**1.2** In the event my entry wins the National Student Summit and thereby qualifies for the European Final, which occurs during the European Summit, CooperVision will provide for travel and accommodation costs for my participation in the European Final.

**1.3** During the European Final, which occurs during the European Summit, I will present my work and my results in a PowerPoint presentation lasting fifteen (15) minutes. I understand and acknowledge that the presentation will be immediately followed by a fifteen (15) minute interview by the judges for the purposes of clarification and that the presentation as well as the interview will be conducted in English.

**1.4** In the event my entry will qualify for the European Final the following provisions regarding right and title to the entry and the results thereof will apply. All results, – including, but not limited to – inventions, discoveries, data, documentation, drawings, know-how, texts, designs, logos, reports, presentations, materials, writings, software, processes, methods, techniques or other information that is discovered, collected or otherwise developed as a result of or in connection with the entry and the work conducted under FORCE (the "Results") and all intellectual property and other rights related thereto shall become the property of CooperVision. CooperVision's rights include the right for CooperVision to, by itself or through a third party, use, develop, modify, transfer, assign and license the Results without limitation in time and space. I hereby waive all economic and moral rights to the Results and I acknowledge that I may not use, develop, modify, transfer, assign and license the Results or products and/or documentation deriving from the Results.

**1.5** I agree to provide all necessary documentation and material needed in order for CooperVision to use the Results, including the right for CooperVision, by itself or through a third party, to develop, modify, transfer, assign and license such documentation.

**1.6** To the extent parts of the Results contain intellectual property rights owned by third parties ("Third Party Rights") I hereby guarantee that the Third Party Rights and other rights have been respected while carrying out the development and conduction of the Results.

**1.7** CooperVision acknowledges that I will be named in relation to the Results as well as be offered the opportunity to be presented and mentioned as co-author if the Results are published, presented or otherwise disclosed in a scientific journal or congress. CooperVision shall within reasonable time before the disclosing always provide me with the material in order for me to read and comment on the material that CooperVision wishes to publish.

**1.8** I will refrain from publishing any part of the Results or other rights which have been developed or conducted under FORCE or in relation thereto without the prior written consent of CooperVision. CooperVision shall within reasonable time always have the possibility to read and comment on the material that I wish to publish. If CooperVision gives their consent to such publishing of the Results I acknowledge that such publishing shall always be provided with a clear label stating that the Results or the product derive from development under FORCE and in connection with CooperVision.
